

Starlight

4 Aaah ouuuh ahah ouuuh ouuh ouhouh aaah ouuh ahah ouuuh ouuuh

13 Far away this ship is taken me far away far away from the memories

Of the people who care if I live or die

20 A starlight I will be chasing a starlight until the end of my life

26 I don't know if it's worth it anymore

29 Hold you in my arms I just wanted to hold you in my arms

37 My life you electrify my life let's conspire to reignite

All the souls that would die just to feel alive

44 I'll never let you go if you promise not to fade away never fade away

Our hopes and expectations black holes and revelations

Our hopes and expectations black holes and revelations

73 Hold you in my arms I just wanted to hold you in my arms

80 Ouuh ouuh ouuh ouh ouh ouuh ouuh ouuh ouh ouh ouuh

ouuh ouuh ouh ouh

86 Care if I live or die

89 I'll never let you go If you promise not to fade away never fade away

Our hopes and expectations black holes and revelations,

Our hopes and expectations black holes and revelations

113 Hold you in my arms
